

CONTINUUM NAPA VALLEY SAGE MOUNTAIN VINEYARD 2015

This is sensational with blackberries, blueberries and mineral. Extremely floral, too. Full-bodied but so seamless and refined with polished tannins that just melts into the wine. Goes on for minutes. A subtle and glorious wine that will be a new classic for Napa Valley. An emotional red that touches your soul. Energy. 46% cabernet sauvignon, 31% cabernet franc, 17% petit verdot, and 6% merlot. Very approachable now but better in 2022.
