

CONTINUUM ESTATE

Hospitality

We are delighted to receive collectors at Continuum Estate by prior arrangement Monday through Saturday as the Estate schedule permits. Guests will receive an immersive tour of our Sage Mountain Vineyard (weather permitting) and estate winery along with a tasting of our current release offering for review and purchase.

In light of the recent global COVID-19 crisis, we have augmented our ongoing effort to ensure a safe and healthy environment on property for both guests and staff.

All appointments at Continuum Estate are private and can be arranged for groups of eight guests or fewer. This will allow for appropriate spacial distancing to occur. Winery hosts will avoid physical contact with guests (i.e. handshakes), common areas will be sanitized in between appointments, and masks will be made available to both guests and winery hosts.

Continuum Estate will reach out to guests 24 hours prior to their scheduled appointment to reconfirm the visit. In the event that guests are experiencing (or have been exposed to someone with) flu-like symptoms, we will reschedule the appointment with no financial penalty.

If you would like to make arrangements to visit the estate, please reach out to our Estate Liaison, Chelsea, at 707.302.2265.

We thank you for your interest and will look forward to scheduling a time to host you.

Sincerely,
The Continuum Family
