## CONTINUUM NAPA VALLEY SAGE MOUNTAIN VINEYARD 2018

This has incredible nuances and delicacy with power. It's full-bodied with lots of gentle tannins that spread across the palate. The character is full of blackberry, blackcurrant and lead pencil. Some conifer and pine needles. Sage at the end, too. Savory. So long-lasting and layered. Such purity. It's so complex and changes all the time in the glass. Goes on for minutes. 54% cabernet sauvignon, 31% cabernet franc, 9% petit verdot and 6% merlot. Organically grown grapes. So drinkable now, but will age beautifully.
