CONTINUUM
2006

The 2006 Continuum is composed of 59% Cabernet Sauvignon, 25% Cabernet Franc, and 16% Petit Verdot. Its opaque purple color is followed by a rich, sumptuous bouquet of blackberries, creme de cassis, incense, graphite, and a hint of burning embers. This powerful, full-bodied, rich wine possesses considerable precision as well as purity. The 2006 will benefit from 2-3 years of cellaring, and should age beautifully for 25-30+ years.

Tim Mondavi™'s new project continues to display exceptional promise. Kudos to Tim Mondavi for continuing the legacy of his family.
