1·40·100

1 celebrates the new estate winery, completed and ready just in time for the 2013 harvest.

The first 100% grown, produced and bottled wine from the estate on Pritchard Hill.

40 are the years that Tim Mondavi has been growing and crafting world-class wine.

100 honors the 1913 birth year of co-founder and patriarch

Robert Gerald Mondavi, represented by the dove on the label.

2013 Continuum is a wine of great power and finesse. Beautifully balanced with a vibrant graphite core, deep black fruit & supple tannins enveloped by the exquisite minerality and savory character of Continuum Estate.

For the fullest sensory experience we encourage decanting.
