## CONTINUUM NAPA VALLEY SAGE MOUNTAIN VINEYARD 2021

This is so aromatic with blackcurrant, blackberry, graphite, iron, pine bark and orange peel. Hints of wild sage and peppermint. Seductive perfumes. Full-bodied with extremely well-integrated tannins that have great length. Elegant firmness at the finish. The quality of the tannins is some of the best I have had in a young Continuum. Seamless silk. Great finish. 45% cabernet sauvignon, 35% cabernet franc, 11% merlot and 9% petit verdot. Best after 2027.
